Sullivan-Mort Vows Told In Beach City Ceremony

Miss Gwendolyn Ann Mort repeated vows Saturday evening in Chimes Wedding Chapel, Long Beach, to become the bride of Sergeant Paddy D. Sullivan, USMC, Rev. M. R. Hogan officiated in the presence of approximately 60 relatives and intimate friends of the principals.

The bride is a daughter of Mrs. Edith M. Mort of 1304 Portland avenue and her husband's parents are Mr. and Mrs. James E. Sullivan of Long Beach. Given away by her brother-in-law, Robert Bean, of Concord, California, the bride chose as her wedding attire a gown of white slipper satin, with fitted bodice, long sleeves and a sweet-heart neckline outlined in seed pearls. Chantilly lace trimmed the hemline of her full skirted gown and the same lace edged the white satin pearl-headed headpiece which held her veil of white nylon tulle. Her bouquet was a bride's posy centered with a white orchid and composed of matching carnations, Queen Anne's lace, and Maroon daisies.

Miss Peggy Mort was her sister's maid of honor in a gown of aqua and a veil of yellow maline ornamented with clusters of mixed yellow blossoms which exactly matched those in her own bouquet.

Miss Jill Sullivan, sister of the bridegroom, served as guest registrar and attending the bridegroom as best man was Charles Smart of Glendale, while ushering was Bill Barnes.

Assisting with hostess duties at the reception which followed at the chapel were Miss Dorothy Sandstrom of Torrance and Mrs. Jackie Frey, of Long Beach, who served the wedding cake and the Misses Pat Townsend and Lois Gaynor who poured.

Upon their return from a honeymoon at Lake Tahoe, San Francisco, and Reno, Sergeant and Mrs. Sullivan will make their home in Laguna Beach.

Mrs. Mort received her guests in dark blue sheer with accents of white, and Mrs. Sullivan attended her son's wedding in pastel blue with contrasting accessories. Both mothers wore orchid corsages.

Lovely in a pink gabardine suit with white accessories complemented by a corsage of gardenias, the bride was attended by Miss Joan Wyman of Torrance who chose a suit of white gabardine and wore a yellow rosebud corsage.

Fred Karr attended the bridegroom as best man. A reception followed at the home of the bride's parents where wedding cake and other refreshments were served. Telephone service is always homemade, in and for each community we serve. Here a cable goes into service.

MORE HOME-TOWN SERVICE FOR WEST'S HOME TOWNS

We're putting many millions more into telephone facilities this year

- All across the West, in the country and in the cities, telephone people are still hard at it expanding and improving the telephone system. For our population continues to grow. The demand for new telephone service goes right on... in spite of our having doubled the number of telephones in use in the past ten years. And doubling the amount of money invested in the telephone business in just five years.
- New facilities, installed in just the past five years have increased our plant \$660,000,000, the largest expansion program ever executed by any public utility operating company. Again in 1951, we'll put many millions of investors' money into the West. Much of the material we will use will be purchased in the West's towns and cities. Certainly most of them will benefit from the program's jobs and payrolls.
- It's taken a tremendous investment to build to serve the million and a half new telephones we've added since 1945. And, building as we have in the face of inflated costs, the equipment to serve a new telephone has averaged about \$400. Before 1940, the average was about \$250. Yet rates are up far less than our costs of providing service... on the average less than half as much as the cost of living. Your telephone is one of your budget's best friends.
